WHAT'S IT ALL ABOUT?

We all get to live one life, and deep down we're all asking the same question – what's it all about?

For Christians, the person of Jesus Christ is central to answering this question. Christianity Explored is a relaxed and informal way of discovering more about **who** Jesus was, **why** he came, **what** his life and death accomplished – and crucially **why this is relevant to us today**.

It also provides space for people to ask the tough questions, which we seek to answer through the Bible.

Christianity Explored is essentially a 7-week course to find out what Christianity is all about... and the answer might surprise you.

You don't need to commit straight away – why not try it for one session and see what you think?

If you'd like to join us, please phone or text 07838 888663 or send us a message on Facebook.

“This is my kind of book! I love the banter and the illustrations are memorable but alongside this wonderfully light touch there is real depth. ‘Why Jesus?’ is a great read and an ideal book to give to a friend who is prepared to consider the message of Jesus Christ”

Graham Daniels, General Director, Christians in Sport

“Why Jesus?” was published by Christian Focus Publications in 2016

In a warm and engaging manner “Why Jesus?” guides the reader through some of the most fundamental reasons why it still makes sense to trust and follow Jesus:

- He Came as Promised
- He Reveals God Perfectly
- He Died for our Sins
- He Rose Again from the Dead
- He is the Appointed Judge
